From the Director's Desk

Welcome to our show, “Sound Celebration – Spring Into Song”. Whether you are with us in person or watching our Live Stream, we are delighted that you chose to spend your time with us.

It is my privilege to be the Director of Heart of New Jersey Chorus and share the musical journey, fellowship, and joy together each week.

It has certainly been a challenging time for all of us. Social distancing has been difficult in so many ways. It feels good to be back singing together again. We are thankful for the technology that has kept us together and moving forward over the past two years.

Our chorus has been fortunate in so many ways. The support that we have for one another is precious and makes us who we are.

We are also fortunate to have welcomed so many new members this year. A special welcome to all of our newbies. We are so happy that you have joined us on this journey.

Heart of New Jersey Chorus continues to embrace our Core Values of Excellence: Community, Collaboration, Integrity and Welcoming. I want to thank all of our members for their support, dedication and hard work at every rehearsal – whether online or in person. I am proud to be a part of this chorus and value the friendships and teamwork that we build upon each week – not to mention the laughter and fun 😊

Special thanks go to you, our family and friends, for your on-going support. We hope you enjoy the show as much as we enjoy performing for you.

Jeanne Elmuccio
Director

Member of Note

The **Member of Note** award is given annually to a member of each chorus in our region who rises above and beyond. In Heart of New Jersey, this individual is chosen by the chorus membership.

We have proudly chosen **Virginia Dearborn** as our 2021 Member of Note! Virginia is always positive and works tirelessly for our chorus with an eye toward equality and inclusion for all.

Virginia truly exemplifies the spirit of Sweet Adelines and she is a great ambassador for our chapter. She has added so much to our chorus; she has worked on many different projects including diversity, has brought in several new members to our chorus, participates in chorus events and attends outside events such as Vocal Fest and other online regional events. She is always singing in the videos Jeanne has put together this past year. She's eager to contribute and a wonderful representative of our chorus. She is always ready and willing to work in any capacity for the betterment of HONJ. Whether it be "tech" help, engaging in regional events, or anything musical. As Baritone section leader – she is also always willing to help singers in other parts, Virginia can be counted on to go over and above, always with a smile! Aside from her being a good member and Baritone Section Leader, she is also a member of our Board of Directors. She is a wonderful ambassador for not only our chapter, but also for all of Region 15, and Sweet Adelines all over the globe! We are very lucky to have her.
